

Give the Gift of Life this Holiday!

Give a different kind of gift and help an animal in need.

Interesting Fact: 79% of Americans say they would rather have a charitable gift given in their name. This holiday season, Claws for Paws is giving you the opportunity to make that wish come true by giving a gift that helps save the lives of animals in need. Claws for Paws is a non-profit organization that was formed by concerned animal lovers to raise funds to support animal welfare efforts in Rome and Floyd County. **100%** of all gifts are used to transform the lives of animals in need of foster care, medical care and nurturing until a forever home can be found. Thrill the animal lover in your life with an honorary gift of care for needy animals in their name!

Please choose a donation level below. For more than one per level, write in the number needed:

- | | |
|---|--------------|
| <input type="checkbox"/> Gift of Food | \$10 |
